

Moderator and Speaker
at the
Make Your Own Luck Conference
hosted by Voice at the Table on 11th June 2015

“The best thing that happened to our conference was a friend recommending Jayne Constantinis. Jayne was brilliant from the very beginning of our engagement! She was professional, keen to understand the nature and content of the event and was supremely pleasant to work with.

In addition to her skilful performance on the day, when she seamlessly transitioned from keynote to panel to interview as if she knew each presenter personally, Jayne also added value by making planning suggestions and, herself, delivering a mini-workshop which was most enthusiastically received.

In fact, out of 5 keynote speakers (and 15 panellists), Jayne scored the highest in our audience feedback. Her expertise, pride in her work and passion for delivering top notch service were greatly valued - not just by the organisers but, more importantly, by the audience!

For a successful conference or speaking event, I couldn't recommend a better moderator and overall contributor than Jayne Constantinis.
